All accounts are due and payable on the first of each month. All slip Rental is paid in advance and is non-refundable. The first month's rent will be prorated to the first of the next month and due the first of each month thereafter. A thirty day notice is required (in writing), if you are going to vacate the slip. This notice will be required in order not to be responsible for the next months rental.

As a courtesy to our customers, charge accounts are permitted and due before your departure home. However, we realize that the store may close before your return from a day's fishing, or it may have slipped your memory. In this event, we will add these charges to your monthly statement. At the discretion of Gateway Marina's, interest of 2.5% may be charged on accounts 30 days or more past due, and a late payment fee of \$30.00 may be assessed.
